No. 991

Introduced by Assembly Member DeVore
(Coauthors: Assembly Members Harman and Tran)

February 22, 2005

An act to add Section 2025.5 to the Health and Safety Code, relating to public health.

LEGISLATIVE COUNSEL'S DIGEST

AB 991, as amended, DeVore. Mosquito abatement and vector control districts.

Existing law provides for the formation of mosquito abatement and vector control districts, provides for the appointment of a board of trustees of at least 5 members, and sets forth their powers and duties. Existing law requires appointment of the members by the county board of supervisors and the city council.

This bill would, notwithstanding these provisions, require the board of trustees for the district in the County of Orange to have ~~7~~ 11 members, ~~2~~ one selected by the board of supervisors, and ~~5~~ 10 selected by ~~a committee of the board from representatives of the various cities within the territory of the district~~ *the Orange County City Selection Committee, with 2 members selected from each supervisorial district and no city represented by more than one member.*

This bill would make certain findings and declarations regarding the inapplicability of a general statute within the meaning of Section 16 of Article IV of the California Constitution.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 2025.5 is added to the Health and
2 Safety Code, to read:
3 2025.5. Notwithstanding, any provision of law to the
4 contrary, in the County of Orange, the district board of trustees
5 shall be composed of ~~seven~~ *11* members selected as follows:
6 (a) ~~Two members~~ *One member* appointed by the board of
7 supervisors.
8 (b) ~~Five members appointed by the City Selection Committee~~
9 ~~of the board from representatives of the various cities within the~~
10 ~~territory of the district~~ *Ten members appointed by the Orange*
11 *County City Selection Committee. The Orange County City*
12 *Selection Committee members from each supervisorial district*
13 *will appoint two members to the board from their district, with*
14 *no city represented by more than one member.* The committee
15 shall ensure that as the terms expire for these members, new
16 appointments alternate in a manner that ensures that
17 representatives of each of the various cities have an opportunity
18 to participate.
19 SEC. 2. Due to the unique circumstances concerning the
20 mosquito abatement and vector control district in the County of
21 Orange, it is necessary that membership of the board of trustees
22 be considered separately, and the Legislature finds and declares
23 that a general statute cannot be made applicable within the
24 meaning of Section 16 of Article IV of the California
25 Constitution.
